#### 9. THE REQUEST PROCEDURES

#### 9.1 WHO MAY REQUEST INFORMATION

PAIA provides that a requester is only entitled to access a record required for the exercise or protection of a right. Only requests for access to a record, where the requester has satisfied the Information Officer that the record is required to exercise or protect a right, will be considered. A requester may act in different capacities in making a request for a record. This will influence the amount to be charged when a request has been lodged.

#### Requesters may make a request as:

- A personal requester who requests a record about him/herself;
- An authorised representative requester who requests a record on behalf of someone else with that person's consent and where it is required for the protection of that person's legal right;
- A third party requester who requests a record about someone else with that person's consent and where it is required for the protection of that person's legal right; and
- A public body who may request a record if:
  - o It fulfils the requirements of procedural compliance;
  - o The record is required for the exercise or protection of a right; and
  - o No grounds for refusal exist.

#### 9.2 FORM REQUEST (SECTION 51(1)(e))

- A. The requester must use the prescribed form available on <a href="https://www.justice.gov.za/forms/paia/J752\_paia\_Form%20C.pdf">https://www.justice.gov.za/forms/paia/J752\_paia\_Form%20C.pdf</a> to make the request for access to a record. This request must be made to the address as set out in Clause 2 of this PAIA Manual.
- B. It is important to note that an application for access to information can be refused in the event that the application does not comply with the procedures required in terms of PAIA.
- C. The requester must provide sufficient detail on the request form to enable the head of Bob Shop to identify the record and the requester. The requester should indicate which form of access is required. The requester should also indicate if any other manner is to be used to inform the requester and state the necessary particulars to be so informed.
- D. The requester must identify the right that is sought to be exercised or to be protected and provide an explanation of why the requested record is required for the exercise or protection of that right.
- E. If a request is made on behalf of another person, the requester must then submit proof of the capacity in which the requester is making the request to the satisfaction of the head of Bob Shop.
- F. Decisions made by the head of Bob Shop are final. A requester is, however, entitled to approach a court with the necessary jurisdiction, or the Information Regulator, if access is denied.
- G. If it is reasonably suspected that the requester has obtained access to Bob Shop records through the submission of materially false or misleading information, legal proceedings may be instituted against such requester.
- H. The requester must use the prescribed form available on <a href="https://www.justice.gov.za/inforeg/legal/20181214-gg42110-rg10897-gon1383-PO">https://www.justice.gov.za/inforeg/legal/20181214-gg42110-rg10897-gon1383-PO</a>
  Plregister.pdf to object to the processing of Personal Information, request for collection or deletion of Personal Information.

#### 9.3 PRESCRIBED FEE (SECTION 51(1)(f))

- A. A requester who seeks access to a record containing Personal Information about that requester is not required to pay the request fee. Every other requester, who is not a personal requester, must pay the required request fee.
- B. The head of Bob Shop will notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed fee before further processing the request.
- C. The fee that the requester must pay to Bob Shop is R50. The requester may lodge an application to the court against the tender or payment of the request fee.
- D. After the head of Bob Shop has made a decision on the request, the requester will be notified in the required form.
- E. If the request is granted then a further access fee will be payable for the search reproduction, preparation and for any time that has exceeded the prescribed hours (currently six) to search and prepare the record for disclosure. One third of the fee will become payable as a deposit by the requester.
- F. Postage is payable when a copy of a record must be posted to a requester.

Requests may be refused on the following grounds, as set out in PAIA: BOB GROUP (Proprietary) Limited PAIA Manual

- Mandatory protection of privacy of a third party who is a natural person, including a deceased person, which would involve the unreasonable disclosure of Personal Information of that natural person;

- Mandatory protection of research information of a third party and of Bob Shop.
